Thank You

I would like to take this opportunity to thank everyone that came out to the fundraiser at the Bangor Elks in support of my brother Marc Fiore. To all the local businesses and the community for donating, to the Bangor Elks for the hall, and to everyone that showed up and showed out for this fundraiser. It was a huge success and helped Marc to continue to pay his daily living expenses while not being able to work during treatment. Special shout outs to Bob and Dawn Abbott, Chad Phillips and Adrienne Crafa for their time and efforts putting this fundraiser together. And all the helping hands before, during and after. Can't thank you enough!

CINCO DE MAYO

Waste Management Gives Generous Donation to The Knights' Order

The Knights' Order, the Character Education program at Pen Argyl High School is responsible for service projects throughout the school and community. The Knights' Order focuses on improving school climate, culture, and tolerance through hosting events and activities meant to showcase integrity, fortitude, diversity, and kindness. Waste Management recognized all of the good we were doing for our school and made a 4-year commitment of giving us \$20,000 a year to help support our efforts. This week we received our third check of \$20,000 that we look forward to using in all of our future projects. So far Character Education has used the money we received to pay for service learning projects, which give teachers the opportunity to help students better their education outside of the classroom by making real-world connections. We are happy to pay for any supplies or funds they need to help their students give back to their community. We were also able to pay for supplies for our trips to the Plainfield Elementary School where we talked to the younger generations of Pen Argyl School District about the Code of the Green Knights. The Knights' Order was also able to use the donation we received from Waste Management to help kids with cancer by donating \$500 to Mini-Thon. With our money we decided to donate \$10,000 to a very important organization in our community, Families First. Families First is an organization that helps many families in our community that are in need. We enjoy working with them for Stuff the Bus, the Christmas toy drive that they host, and any other fundraisers or projects they organize. We are very excited to make such a difference in our community by donating to this worthy cause. Character Education is very grateful for the money we received from Waste Management because with it we are able to help our school by spreading our message and making a positive impact on students' lives everyday. We are looking forward to continuing to do great things for our school and community with the generosity of Waste Management.
