Local Students Help Market Slate Belt Restaurant Week

A collaboration between the Slate Belt Chamber of Commerce and the Career Institute of Technology has allowed students in the Marketing Program an exciting opportunity to put their graphic design skills to great use! The class designed the Restaurant Week posters, which the community can expect to see hanging on local bulletin boards starting this week. Marketing is just one of the many programs offered at CIT. This program prepares students for careers in marketing and retail management. Students learn the principles of entrepreneurial economics, basic sales skills, customer service, warehousing/distribution, inventory, pricing, and the basics of marketing. When asked, "What is your favorite thing you have learned in the marketing class?" The students replied, "Better customer service, public speaking skills, communication, and how to express ideas or concepts we have in creative ways."

For more information on CIT programs offered, visit www.citvt.com or talk to the high school guidance office.

Pen Argyl sophomore Bryce Hendershot runs food blog @northamptoncountyeats and is excited to blog during Slate Belt Restaurant Week and help with promotional giveaways. Bryce started the blog in May 2020 when restaurants started to reopen during the pandemic. The idea derived from his combined interests in restaurants, food, and photography. Although shy in nature, Bryce has utilized this hobby to give him a voice and creative outlet while providing positive advertising for restaurants, as he now has over 3900 followers! He aspires to have a career in marketing/advertising in the restaurant realm. Follow him on Facebook and Instagram for restaurant week updates and chances to win gift card giveaways!

Slate Belt Heritage Center Monthly Program Bangor's Annual Welsh Day Event

The Slate Belt Heritage Center will hold their monthly historic program on **Sunday March 12th, 2:00PM**. Speaker for the afternoon will be Mr. John Reinhart, President of the St. David's Welsh Society whose topic will be: "Bangor's Annual Welsh Day Event: Over Thirty Years of Celebrating Community".

Diverse American communities have thrived throughout history by celebrating that diversity and working toward beneficial projects and goals. For over thirty years,

Bangor's Welsh Day events drew thousands of visitors to the Slate Belt resulting in economic, cultural, and political gains for many in the region. Through pictures, artifacts and first-hand accounts, you will see just how influential these events were and how busy Labor Day weekends became in the Slate Belt.

The event is free and open to the public. The Heritage Center is located at 30 North 1st Street, Bangor, PA. For additional information contact: Karen Brewer at 484-894-5661.

Wildlife of the Minsi Lake Greenway By Photographer Jeff Kaboly Sponsored by Friends of Minsi Lake

Friends of Minsi Lake cordially invites the public to an exhibit of professional photographer Jeff Kaboly's stunning images of wildlife in the Minsi Lake Greenway at Bangor Area High School Performing Arts Theater from **5:00pm to 7:00pm on Sunday, March 12th**. The theater is located next to the baseball field at 123 Five Points Richmond Road, Bangor, PA 18013.

Jeff is a professional photographer focusing on sports and wildlife photography for the past 30 years. Sixteen photographs of Jeff's choice will be on display in the theater lobby, while many more of his photos of birds and mammals of the Minsi Lake Greenway will be shown on continuous loop inside the theater. In addition to a silent auction of Jeff's photographs, dozens of his photos will be available for sale to benefit Friends of Minsi Lake during his exhibit.

The 1500-acre Minsi Lake Greenway includes Minsi Lake Park, Bear Swamp Park and Totts Gap Conservation Area, all of which are managed for public outdoor recreation by Northampton County Parks Department. Friends of Minsi Lake was established in 2017 to work with Northampton County Parks for the betterment of natural and recreational resources at Minsi Lake and throughout the Minsi Lake Greenway.

Complimentary refreshments will be served in the theater lobby and amazing views of Blue Mountain and Delaware Water Gap can be seen from the theater balcony. The photo exhibit is open to the public free-of-charge.

Come spend a late winter evening with Friends of Minsi Lake at Bangor Area High School Performing Arts Theater. Kaboly and learn about current and future projects that the friends group and its partners are doing to improve outdoor recreation and conservation value in the Minsi Lake Greenway.

Band of District 10 in Pennsylvania Presented by PMEA Submitted by Franine Martinho

After a beautiful concert by the Band of District 10 in Pennsylvania Presented by PMEA (Pennsylvania Music Educators Association) on February 10th, Brandon Martinho once again advanced to the next step. The Concert was composed of 144 Young Musicians from 40 schools in 7 Counties. Brandon, who was already qualified for the North East Orchestra of the Region, will now also be part of the Band of the Region, getting closer to his big goal representing Bangor Area High School in the State of Bands and Orchestra.

This time his friend, Jace Paynter, qualified and will be part of the Region Band and they will represent Bangor Area High School playing the same instrument, the tuba!

On Sunday February 12th, Brandon was also part of the SteelStacks High School Jazz Band Showcase featuring 21 bands and over 5 day events in February and March at the Musikfest Café in Bethlehem PA.

Together with students from Bangor Area High School the group put on an amazing show. Brandon didn't play his friend "Tuba" but he gave a charming performance playing his Double Bass and his Bass Guitar. Brandon said "It was a real rush and I was very tired. But it was so worth it."

I love music! This weekend was full of emotions. Once again I've moved on to the next step and this time I have my friend Jace Paynter with me. We'll be together at the next band concert. Thank you to everyone for your support!"

The Concert of the Northeast Orchestra of the Region and the Band of the Region will be held in March.

blessings you need the most."

Leprechaun Shenanigan
by Robert L. Martin

Mr. Leprechaun, what's on your zany mind?
Did you hide your gold for me to find?
Did you put it at the rainbow's end again?
Do you think I would look to find it then?
Do you think I'd fall for your crazy scheme
when I know it's a part of your daily routine?

I know all about your foolish shenanigans.
There's no gold and no rainbow ends.
