"Slate Belt Rising Announces Scholarship Recipients"

As part of their commitment to engaging and helping local youth, Slate Belt Rising created a scholarship program in 2019. These scholarships are to help graduating seniors and adults that are continuing their education defray the cost of continuing

their education at a four-year college or university, community college, or trade school. Additionally, for seniors that may be going directly into the workforce for a skilled-trade, scholarship funds can be used to purchase tools.

This year's Slate Belt Rising Scholarship recipients are Fallon Apgar; Fallon, a graduate of Pen Argyl Area High School, will be furthering her education at Moravian College studying Biological Sciences. Alexis Culp; Alexis, a graduate of Temple University will be pursuing a Master's Degree in Education for Spanish Language at Temple University. Mackenzie Marie Chamberlain

Emma Joelle Holt

David James Magnin

Aaron Kenneth Metzgar

Victor Michael Skorochod

Joshua Wilson

Valedictorian, Zachary Erwin, son to Caleb and Amy Erwin,

Zachary Caleb Erwin—Valedictorian

is the oldest of four children and has been attending Faith Christian School since fourth grade. Before Faith, he had been homeschooled since pre-school. Since coming to Faith Christian School, he has had many opportunities and experiences through various school-held institutions such as Student Council, National Honor Society, sports, and other elective classes. Since the seventh grade, Zachary was elected to be a class officer

of Student Council. As a senior, he served as Chaplain to the student body. Zachary played basketball during his eighth and ninth grade year, but what he really enjoyed and excelled in are soccer and track and field. He has played soccer for Faith from sixth grade through senior year, and participated in track and field in his seventh, eighth, eleventh, and twelfth grade years. During his senior year, he served as part of the tech team for the school's weekly chapel and also had the privilege to be a chapel speaker in a three-part sermon series with classmates Connor Brawley and David Magnin. Zachary has excelled in academics, as well and is this year's valedictorian. He plans to pursue a degree in ministry leadership to become a youth pastor. His college of choice is undecided, but a potential school is the University of Valley Forge. One of his many favorite verses to live by is 1 John 4:18 which says, "There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and whoever fears has not been perfected in love."

Salutatorian, Cameron Whistler, is the son of Matthew and

MaryEllen Whistler, of Pen Argyl, PA. Cameron attended Faith Christian School from eighth through twelfth grades. He has always enjoyed sports and athletics, and he played on the school soccer and basketball teams for the past five years. Cameron was a captain of the soccer team during his eleventh and twelfth grade years, and captain of the basketball team his twelfth-grade year. In his tenth-grade year, Cameron served as class vice-president. In his eleventh-grade year, Cameron was nominated and accepted into the National Honor Society, and as a senior, he served as its reporter. Cameron is active in his church, willingly serving by going on mission trips or cleaning the church. Cameron received multiple "Solomon awards" from Faith Christian School in recognition of his hard work as a student and he was named the salutatorian of his graduating class. His favorite Bible verse is James 4:8 "Come near to God and he will come near to you..." Cameron plans to continue his general education studies at Northampton Community College.

Cameron Matthew Whistler—Salutatorian

Faith Christian School, K-12 grades, has been serving the Christian communities of the Pocono Mountains, Slate Belt, eastern New Jersey, and the Lehigh Valley areas for 40 years. Children from ten school districts and over 40 churches comprise the diverse and outstanding student body. Most public school districts provide transportation to our school facility located one mile north of Bangor and eight miles south of Stroudsburg, off Route 191 in Roseto, Pa. Please call our office, 610-588-3414, to set up a time to visit. We look forward to meeting you soon at the corner of Dante Street and Liberty Avenue in Roseto, Pa.

POST GRADUATION

by Robert L. Martin

Knowledge is a beacon
shining beyond its own
immediate boundaries.
It sheds a light on the
next stage of learning,
establishing another
boundary for the next stage.

Knowledge has its eye
on the future until it
reaches the end
which will never be seen,
for the end remains eternal.

Post graduation is the
time to look into the future
and envision the next graduation
from the next stage of learning.
And congratulations graduates
for what you have done so far.

Salvation Army East Stroudsburg Corps Awards Community Service Scholarships

The Salvation Army East Stroudsburg Corps has awarded \$65,000 in scholarships to thirteen students throughout Monroe County to assist with the expenses associated with continuing their education. Dr. William Van Meter, Salvation Army East Stroudsburg Corps Advisory Board Member and Chairman of the Scholarship Committee, describes the program, "Each year we select students who have been accepted in an accredited college or university and have demonstrated a history of participating in community service. The monies used are awarded from a special fund created through a long standing private endowment at the bequest of Irene Cramer that can only be used for these scholarships. Without this financial support, most of the students would be unable to attend college."

This year's recipients are: **Kayla Bago** – University of Pittsburgh; **Michelle Brodsky** – University of Hartford; **Sergio Butron** – Columbia University; **Austin Cano** – Wilkes University; **Joseph Crespo** – Temple University; **Cody Hawley** – Kutztown University; **Brianna Hernandez** – Marywood University; **Kiaya Jones** – College undecided; **Hailey LaBar** – Montclair State University; **Giovanni Marini** – DeSales University; **Matthew Ruiz** – Haverford College; **Ciena Schoch** – Alvernia University; **Amanda Thomson** – East Stroudsburg University

Each year, the Salvation Army East Stroudsburg Corps welcomes applicants to the program who are younger than 21 years of age and have completed high school or the equivalent GED. Applications must be received by April 1 of the applying year. The number and amount of scholarship monies awarded is distributed based upon the funding available in each fiscal year from the Irene Cramer bequest and any additional scholarship fund contributions. All eligible applicants are residents of Monroe County. Van Meter concludes, "We are very proud of the applicants and their contribution to our community. It is the Salvation Army's hope that these monies assist them in the successful pursuit of their degrees and that they continue to give back to the community throughout their careers."

Bangor - Roseto Memorial Day Procession

Photos by Lisa Newberry

Traditional Memorial Day services were canceled this year, but that did not stop the long and honored tradition of America paying tribute to the brave men and women who sacrificed their lives for our country. Local fire companies from Bangor and Roseto along with the Blue Valley Rescue Squad, members of the Roseto and Bangor American Legion Posts, and Bangor VFW Post 739 came together for a Memorial Day Procession. Bangor Public Library News

On **Tuesday, June 16th, 2020** the library will start "Step side" pickup. The staff will be in the building during the library's normal operating hours. Patrons can request books over the phone or online. Once your items are ready a staff member will call you. All patrons are asked to call the library when they are in the parking lot so their items may be placed in the pickup bin on the stairs. This includes request for candy bars and beef sticks. All money must be placed in an envelope, no change will be given. Patrons will still be able to access all online materials as well.

Beginning on **Monday, July 13, 2020** the library will be offering limited services by appointment only. You will need to call and schedule a time to use the fax, copy machine and computer. Only one computer will be in use and you will be allowed 30 minute sign ups at this time. All patrons entering the building will be required to wear a mask.

No use of the library's public space will be allowed at this time. More details to follow.

Please feel free to call the library with any questions you may have.

2nd Annual Slate Belt Restaurant Week

The Slate Belt Chamber of Commerce is planning the 2nd Annual Slate Belt Restaurant Week **Sunday, July 5th through Saturday, July 12th**. The Chamber is seeking area restaurants to participate to promote breakfast, lunch or dinner specials.

Restaurants will also offer reduced prices on a prix-fixe menu. Restaurant Week, will help increase tourism, therefore increasing business for stores and other local businesses. This is a platform to showcase the Slate Belt as well as your restaurant.

The Chamber chose July as studies suggest that January and July are a slow time for restaurants. All participating restaurants should offer a discount on their prix-fixe menu for the entire time of the event and offer their best food. The idea behind Restaurant Week is to showcase your restaurant's food to customers who may not dine there regularly. If you are interested in participating in Slate Belt Restaurant Week please email the Slate Belt Chamber today at: info@slatebeltchamber.org or call 610-588-1000.
