### Merchants Bank Supports

#### Immaculate Conception Pre-School Program

Merchants Bank contributed \$5,000 to the Immaculate Conception School to support their Pre-School program. The endowment is part of the Educational Improvement Tax Incentive which allows qualifying organizations and programs to be awarded funding from local organizations.

The pre-school program provides area children with a faith-based nurturing environment, dedicated to building a foundation for pre-reading skills, gross and fine motor skill development and problem-solving. The classroom structure provides group, individual, and age-appropriate instruction.

"Merchants Bank has been a tremendous support for our school. We have an excellent relationship with the bank. Their commitment to our community and the program show their dedication to enriching the lives of our residents, says Sister Maria Luz, O.P., Principal at Immaculate Conception School.

"We have had a long-standing relationship with Immaculate Conception. The school and its community are blessed to have Sister Maria's devotion. She gives unyielding support to the children, the school, and its program. We believe that the strength of our community rests in fostering its children, the foundation of the future, says Rocco Del Vecchio, CEO, Merchants Bank.

Established in 1890, Merchants Bank is a locally owned and operated community bank. Headquartered in Bangor, PA, Merchants has two branch offices in Bangor and additional offices throughout the Lehigh Valley, including Mount Bethel, Wind Gap, Nazareth, Forks Township, Martins Creek, Easton and Bethlehem, PA. In 2013 the Bank was recognized for its community involvement and volunteerism through two awards: Greater Lehigh Valley Chamber of Commerce's The Spirit of Forks Award as well as The Volunteer Center of the Lehigh Valley's Spirit of Volunteerism Award. MNB Investment Services is a division of the bank and offers investment and wealth management financial services. For more information, please visit [www.merchantsbangor.com](http://www.merchantsbangor.com).

### Slate Belt Rotary Celebrates World Polio Day

Slate Belt Rotary (Northampton County) will be celebrating World Polio Day **Tuesday, October 24th from 6:00pm to 8:00pm** at the Bangor Heritage Center. Rotary International had a mission to eliminate Polio throughout the world. Along with the Bill and Melinda Gates Foundation support this mission is almost accomplished. With less than 300 cases worldwide Polio, as a disease, is close to eradication. You are invited to come hear Dr. Clem McGinley discuss polio and its treatment prior to this worldwide effort.

For more information and to learn more about

this effort visit [www.endpolio.org](http://www.endpolio.org) or [www.rotary.org](http://www.rotary.org) Slate Belt Rotary is always looking for new members to join and help us give back to the Slate Belt Communities. Our meetings are every **Thursday from 6:00pm to 7:00pm** at The Scorecard Restaurant in Wind Gap, PA. Come and visit to learn about Rotary. For more information contact Bill Skinner at [skinww@gmail.com](mailto:skinww@gmail.com) or 570-350-7609.

### Gearing up for Kindergarten

The Bangor Area School District will be offering "Gearing Up for Kindergarten" beginning in October 2017. The program will be held at the Washington Elementary School on Tuesdays and the Five Points Elementary School on **Wednesdays through October 25th from 6:00pm to 7:30pm.**

The "Gearing Up for Kindergarten" program is intended for families with a child who will be entering kindergarten in August 2018. The classes run for an hour and a half. The program offers parent/child activities, as well as separate child preparation and parent education classes. Parent topics include brain development, parenting styles, discipline, early literacy, developing responsibility and the importance of sleep. Preschool topics include math activities, science exploration, motor development, sensory development and reading/literacy.

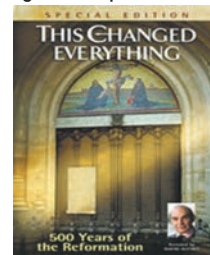

The program is free of charge, with child care being offered for siblings. Registration forms are available on the District's website, at the elementary schools or by calling Rae Temples at 610-599-7015, ext. 75103#.

### Calling All Family Members of Foiano di Val Fortore, Italy

A delegation of Mayor Donato Iampietro and Vice-Mayor Giuseppe Ruggiero from Foiano di Val Fortore, Italy will be visiting the Lehigh Valley to meet with descendants of Foiano. Foiano di Val Fortore is a community in the Province of Benevento in the Italian region of Campania. The sister city of Foiano, Italy is Bethlehem, PA. There are a large number of Foianese people living in the Lehigh Valley area including the Slate Belt.

In response to the growing interest in genealogy throughout the world, this delegation will be visiting Roseto to meet with descendants of families who may have had or currently have relations still in Foiano, Italy. It will be an opportunity for you to meet with them and learn more about the town and its people. They are particularly interested in hearing about the advancement of families in the Slate Belt who originated from this region of Italy. If you have photos of family members who are descendants of Foiano, please feel free to bring them with you for this event.

Therefore if you believe you have family members from the Foiano region and are interested in meeting with this delegation, Roseto Mayor Joseph Angelini has organized a reception on **Sunday, November 19th from 3:00pm-5:00pm** at the Columbia Fire Company in Roseto, PA ([columbafireco.org](http://columbafireco.org)).

Please email Steven Reto at [sreto@comcast.net](mailto:sreto@comcast.net) with your interest in attending.

### Slate Belt Chamber Of Commerce Congratulations to our 2017 Business Person of the Year & Volunteer of the Year

#### Business Person of the Year - Lucy Flinn

An individual of the Slate Belt who has done an outstanding job in business and service. Lucy has been an active business owner from the day she settled in the Slate Belt. She has always exemplified a business sense with keeping the warmth and compassion of someone who truly cares about people and the community. With her 38 years with State Farm, Lucy has won many awards and has had special recognition yearly. Lucy supports both monetarily and with her time to many worthwhile endeavors in the Slate Belt. She is an active member of the Slate Belt Rotary, has worked on numerous fundraisers for various charities.

#### Volunteer of the Year - Nick Russo

Nick, a 22 year old Reagle Dodge employee and member of the National Guard. Said to be, "Selfless, Humanitarian, loving and supportive of country in the devastation of natural disasters." Nick has started a non-profit organization known as "American Way Disaster Relief." He and his father had an idea to provide hurricane relief for the victims in Texas and Florida. When word got out to the community the donations grew. The plans now are to use his non-profit organization to help the Slate Belt community.

We invite members, family, friends and the community to help us honor Lucy Flinn and Nick Russo on **November 13th** at Cherry Creek Hide Away, Bangor.

Reservations and payments are accepted by going to [www.slatebeltchamber.org](http://www.slatebeltchamber.org) or calling 610-588-1000.

### NCC to Present the Rock Musical "Hair"

Wear some flowers in your hair while you revel in Northampton Community College (NCC)'s reprise of the rock musical "Hair" under the direction of Bill Mutimer, associate professor of communication/theatre. The musical debuted Off-Broadway 50 years ago, the same month NCC opened.

The musical explores issues of racism in America, poverty, the generational gap, sexual liberation and the anti-war movement. Considered controversial at the time, the themes and the way they are presented are still relevant to the present.

"Hair" tells the story of a group of politically active, long-haired hippies of the "Age of Aquarius" living a Bohemian life in New York City and fighting against conscription into the Vietnam War.

Performances will be held **7:30pm October 19th, 20th and 21st and 3pm October 22nd** in NCC's Lipkin Theatre, Kopecek Hall, 3835 Green Pond Road, Bethlehem.

Admission is free with a donation of a non-perishable food item. Parental discretion is advised.

### Slate Belt Heritage Center

The Slate Belt Heritage Center is seeking any individuals who would like to share, in the form of a presentation, any pertinent historical information about the Slate Belt. This could be in the form of a power point or just a discussion. Please call Karen Brewer @ 484-894-5661 if you are interested.

## Magda Family Dental LLC

**Halloween Candy Buy Back!**  
Ditch your candy for cash at Magda Family Dental LLC!

Dr. Wendy Magda and Dr. Elizabeth Matthews would like to help you keep your smile beautiful by trading your candy for cash!

The amount of candy that is consumed on Halloween is very scary! The average American consumes 3.4 pounds of candy over Halloween. That is equivalent to 13 Big Macs! Sugar consumption is increasing by about 2% annually and currently sits at 50 million tons per year, which means we need to be caring for our teeth and our children's teeth more than ever!

Candy will be collected at the office starting  
Monday October 26th through  
Thursday November 5th.

### 1885 Club Accepting Nominations

The Bangor Area High School Alumni Association is looking for nominations for induction into the 2018 "1885 Club Hall of Fame." In 1998, the members of the Bangor Area High School Alumni Association began to search for a way to honor graduates who have distinguished themselves through public service, scholarship, and recognition in their chosen fields of work. Discussions naturally led to creating a Hall of Fame for such individuals. Concerned about possible confusion with the Athletic Hall of Fame, however, the committee began to seek ways to create a different type of recognition with its own unique distinction. From this collaboration, "The 1885 Club" was born. Named in honor of the first year in which a class of students graduated from Bangor High School, this exclusive club honors distinguished alumni and holds these individuals as outstanding examples for others to follow. Through the creation of "The 1885 Club" the Alumni Association underscores and upholds the fact that graduates of Bangor Area High School have been making tremendous contributions to mankind for more than 130 years. We reserve a special category for educators and administrators who have served the Bangor Area School District over its long history.

To nominate someone for either of these awards, please go to the Bangor Area School District web site, bangorslaters.com, click on the Alumni icon (under Quick Links) and then click on the 1885 Club. There you will find a printable form. The form must be filled out completely for your nominee to be considered. Mail the completed form to the address shown or forward it to Carole J. Hontz at Bangor Area Middle School, 401 Five Points Richmond Road, Bangor, PA 18013-5267. Nominations can also be e-mailed to hontzc@bangorsd.org

### ASK JIM – What is new in Synagro's recent submission to Plainfield Township?

Synagro Technologies, Inc. is committed to being a responsible business partner in the communities in which we operate and because of this commitment, we have had many conversations about our project with neighbors, municipal officials and many other stakeholders. These conversations have helped us fine-tune the project to help ensure we get it right for the community, the environment and the local economy.

Synagro's recently submitted sketch-plan for the Slate Belt Heat Recovery Project has an updated and more-detailed site layout, and the project no longer includes discharging treated waste water into local creeks.

While we are capable of treating waste water to safe regulatory discharge standards, we have considered public comment regarding this aspect of the project and have adjusted our original plan to return wastewater to our biosolids customers. This process will use the same trucks that deliver material to our plant and will not create any additional local traffic. Our transportation procedures will be conducted in full compliance with the U.S. Department of Transportation regulations, which ensures public safety and protection of the environment.

Our neighbors will continue to have opportunities to learn more about the project and ask questions through the local land-use process and the Pennsylvania Department of Environmental Protection's permit approval process.

To learn more about this sustainable, green-energy project, please visit:

### Friends of the Bangor Library "Wine Tasting Party" At Tolino's Winery

The Friends of the Bangor Public Library will hold a Wine Tasting Party, **Friday November 3rd from 6:00pm-9:00pm**, at Tolino's Winery, Mt. Pleasant Road, Bangor, PA. Wine tastings, free wine glass, and refreshments. Tickets for the tasting are available at the Bangor Library, 39 South Main Street, Bangor, Pa. Proceeds from the event benefit the library. For additional information contact: Karen Brewer at 484-894-5661.

### The Blue Mt. Community Library Silent Auction

The Blue Mt. Community Library will be hosting a Silent Auction **now through Saturday, November 18**. Various items will be displayed in the Adult Reference Room Area, located on the first floor. Sheets for each item will be attached. Library patrons must place their "Bid" on the sheet, using their membership number. If you are not a member, the volunteer at the desk will assign you one. The winners of the bids for the items will be contacted by phone. These items will make wonderful Christmas gifts. Please consider supporting the library with this fundraiser. The Blue Mt. Community Library is free for all residents of the Pen Argyl Area School District and non-residents may join for a small annual fee. The library is located at 216 S. Robinson Ave. in Pen Argyl. Hours are M-Sa, 10 am-Noon, and M-Th, 6-8 pm. Call 610-863-3029 for information or visit [www.bmcl.org](http://www.bmcl.org). Find us on Facebook at [www.facebook.com/bmclpenargyl](http://www.facebook.com/bmclpenargyl).

### PA Professor of the Year Presents One-Man Show to Benefit Puerto Rico: Dr. Javier Ávila Brings His Celebrated Show to Zoellner Arts Center

Dr. Javier Ávila, author, poet, and professor of English at Northampton Community College, will present his acclaimed one man show, *The Trouble with My Name*, on **Thursday, November 2, at 7:30 p.m.** in Baker Hall, Zoellner Arts Center. Admission is free, but monetary donations and supplies to help rebuild Puerto Rico after the devastation caused by Hurricane María will be accepted. Ávila was

named the 2015 PA Professor of the Year, the first Latino to ever receive the award.

Ávila's performance is part of Zoellner's innovative Notations series, which includes conversations with highly-respected representatives from a variety of literary genres.

The *Trouble with My Name* is a high-octane, hilarious one-man show. It is the autobiographical journey of a man who moves between cultures to provide a fascinating perspective of American Latinos who struggle to dispel misconceptions about their identity and place in the world. *The Trouble with My Name* examines the issues of language, race and social justice in an eye-opening performance where Ávila engages the audience as he tells the story of his life and reads poetry that illustrates what it means to be the American of the future. His show embraces the diversity of a nation whose history is rich and colorful. His message transcends boundaries of race, ethnicity and geography.

Ávila, a renowned poet and novelist, achieved international recognition when his bestselling novel "Different" became an award-winning motion picture, "Miente," which was screened in over a dozen countries. His poetry books have earned him prestigious awards, such as the Pen Club Book of the Year Prize and The Puerto Rico Institute of Culture Poetry Award. Ávila's books have been part of university curricula for years. He frequently performs at colleges, where audiences praise his work for being a powerful voice for Latinos in the United States.

Freedom High School students, Hispanic Chamber of Commerce, Greater Lehigh Valley Chamber of Commerce, Just Born, The Fé Foundation, Lehigh University and Northampton Community College. Students from Northampton Community College and Freedom High School will be on-site at the show, gathering donations and preparing them for transportation.

Suggested donations include: first aid kits, LED candles, garbage bags, flashlights, portable radios, batteries, can openers, canned foods and milk, baby food, baby formula, soap, baby wipes, diapers, water filtration bottles, bug repellent, feminine hygiene products, antibiotic ointment, aspirin, and solar light bulbs.

The Notations Series is presented by the Lehigh University Creative Writing Program, Visiting Lecturers Committee and Zoellner Arts Center with support from an Anonymous Donor.

### NCC Offers STEAM'in Saturdays for Youth

Discover what STEAM stands for – Science, Technology, Engineering, Art and Math – at a series of Saturday workshops offered by Northampton Community College's Horizons for Youth program.

Each three-hour class will give boys and girls in grades 4-6 a chance to explore a different fun concept combining science, creativity, problem solving, critical thinking, and innovation. Classes include:

**Airplane Science – Nov. 4**

**More Math in Art – Dec. 2**

Each class runs from 9:30 a.m. until 12:30 p.m. in Penn Hall on NCC's Bethlehem Campus. You may register for one or all classes in the series. For fees and to register, visit [Northampton.edu/lifelearn](http://Northampton.edu/lifelearn). For more information, call 610-861-4120.

### NCC Appoints Chef Francine Marz as Director of Culinary Arts

Northampton Community College (NCC) welcomes Chef Francine Marz as the new Director of the Culinary Arts Program in the Business and Technology Department. An accomplished culinary talent, Chef Marz brings years of experience to NCC students and Hampton Winds Restaurant, where students hone their craft in a professional restaurant setting.

Chef Marz is a certified executive chef and comes to NCC with extensive experience as a culinary director and instructor at the higher education level. Chef Marz was culinary director at The Art Institute of Phoenix. During her time there, she coached the Junior ACF Hot Foods Competition Team and took students overseas to Shanghai and Austria to compete. Most recently, she served as culinary director for The Culinary Arts Institute of Montgomery County Community College. She specializes in culinary arts, leadership and innovation, as well as, baking and pastry arts. She was also just recently awarded as the Chef of the Year by the Delaware Valley/Philadelphia Chapter of the American Culinary Federation for 2017.

She earned an MBA from Argosy University and has degrees in culinary arts, food service management and baking and pastry from Johnson and Wales University, Charleston, SC.

Marz enjoys travelling the world and has represented the United States three times for a culinary showcase in China.

### Slate Belt Heritage Center Preservation Award

The Slate Belt Heritage Center, located at 30 Forth 1st Street, Bangor, Pa, is pleased to announce that it is now accepting applications for its "Annual Heritage Award". The purpose of the award is to acknowledge individuals who have performed exemplary acts that promote and preserve the culture and heritage of the Slate Belt. Candidates may be an individual or group and can be nominated by themselves or by another party.

There will be three (3) categories:

1. Initiative Award: Applicant who has performed exemplary actions in promoting and preserving the Slate Belt heritage through in-kind actions. This means acts that do not necessarily involve monetary donations but can be unpaid service for a preservation cause.

2. Architectural Award: Applicant who is saving or conserving a historic building, place or artifact where restoration is authentic to preservation.

3. Special Focus Award: Applicant who is saving or conserving tradition or a body of knowledge. That individual who contributes to educational information via exhibits, documentation, internet, archival, etc.

Consideration is given to projects with:

1.) A specific start and end date.

2.) Whether the project meets Professionally accepted preservation and/or scholar standards.

3.) Whether the project is considered "complete" with goals and how they were achieved.

4.) Whether the project had a significant impact with before and after photographs for proof of information and/or proof that a historic piece would have been otherwise lost if the nominee had not completed the project.

Nominations will be accepted this fall and will be reviewed in January of each year. The awards will be presented at a special program in June. One prize will be awarded with the possibility of one per category depending on committee's review of candidates. Nominations should include a description of entry, photos (if applicable), and any pertinent documentation. The Heritage Center retains the right to exhibit and/or publish the application materials, including photographs. Applications for those not chosen will be held on file, indefinitely, for future consideration.

Interested parties may obtain an application at the Heritage Center (Sundays 1-3), at local municipal offices or by contacting Karen Brewer at 610-588-8615. If calling, please leave an address to where applications can be mailed in addition to name and phone number. For additional information contact Karen Brewer.

### Salvation Army Pathway of Hope

The Salvation Army is investing in a bold new initiative aimed at helping families to leave poverty behind—for good! We are calling our innovative model: Pathway of Hope.

Since our inception in 1865, The Salvation Army has made meeting the immediate physical and spiritual needs of disadvantaged men, women, and children our highest priority. In recent years, the number of individuals and families receiving emergency support from The Salvation Army has grown considerably. Much of this increase is due to the uncertain economic climate, which has increased the vulnerability of working families, and recidivism amongst a large number of those we already serve. Our social service registries can track families in the fifth and sixth generations of dependency. In fact, dependency has become a way of life and many clients have no expectation of moving to sustainable self-sufficiency.

While we plan to continue to be a resource for emergency support, the rising tide of families suffering from inter-generational poverty tells us that this cannot be the sum total of our efforts. Unless we implement strategic, multi-faceted solutions, the people we have pledged to help will continue to find themselves in a perpetual state of need.

Pathway of Hope is exactly what the name implies: a strategically supported roadmap towards self-sufficiency designed and endorsed by Salvation Army national leadership. Our model is designed to create a partnership between families wanting to move beyond crises and The Salvation Army. Families selected to participate in Pathway of Hope will undergo a careful review to ensure their strong commitment to improving their lives if given incentive, support, and opportunity. In return, Salvation Army social workers will provide intensive case management (i.e. frequent participant/social worker interactions involving needs assessment, action planning, referrals, provision of emergency supports, and follow-up on progress and problems), to help empower families to take their first steps out of poverty.

In the coming months, we will begin this innovative national initiative in Pen Argyl and the Slate Belt. During the first year, we expect to engage approximately 10 - 12 families in this region. When this location is fully operational, we will add additional sites on a phased basis until all corps within Eastern Pennsylvania and Delaware offer Pathway of Hope services. The Salvation Army has positioned itself for a long engagement, bringing all of our resources to bear on behalf of the most vulnerable members of our community.

An initiative of this magnitude will require significant support. With this in mind, The Salvation Army has already begun strategic approaches to major donors, foundations, and community agencies to obtain both the funding, and on-going partnership necessary to implement and sustain Pathway of Hope.

If you are committed to making this positive change in your life, and have children residing in your household under the age of eighteen, please contact Krista Nagy, Case Manager for Pen Argyl and the Slate Belt, at 610-863-6677, extension 302 for assistance. Help us help you create that Pathway of Hope for your future today!

Also, on **November 2, 2017** The Salvation Army will hold its Annual Red Kettle Campaign Kick-off breakfast at Cedar Crest College which will honor Rob Vaughn and WFMZ Channel 69 with the Spirit of the Lehigh Valley Award, and officially launch Pathway of Hope throughout the Lehigh Valley.

### The Real Estate Guys "What is Title Insurance & Why do you need it?"

The DeCesares

When you buy a property the most important task that your Attorney or Title Company will perform is to have the Title of the property searched. If this title search reveals recorded defects, liens, or encumbrances upon the title they are reported to you. There are numerous defects that may affect the title. The most common issues found are unsatisfied prior mortgages, easements, taxes owed, and deed restrictions. Less frequent issues could be forgery, fraud, clerical issues, incorrect legal descriptions, Will related issues, and many more.

If any of these deficiencies are found, they must be remedied prior to settlement. This becomes a joint effort between your Attorney, Title Agent, Realtor, and you.

Now you are through the search process, and you have resolved any issues that may have come up, your representative will now acquire Title Insurance. This is actually an insurance policy that you purchase with a one-time fee... part of your closing costs. It is demanded by the lender. The cost of the policy is determined by the price of the real estate being purchased. In the event that ownership of your property is ever challenged, the insurance company will defend your possession of the property and assume the legal costs of that defense. Make sure you buy an "Owners Policy" and not just a "Lender's Policy". This policy will cost about 10% more than the lender's policy, BUT, in the event of a title flaw the insurance company will only protect the lender, and not you, unless you have this type policy. This coverage will last for as long as you and your heirs own the property. In the event that any challenge to your property proves to be legitimate, title insurance will be responsible for the costs to correct the flaws as the policy provides.

If you are buying the property with cash you are not obligated to do a search or buy title insurance. It is foolish, however, not to do so.

### Pen Argyl Borough Leaf Collection

Pen Argyl leaf collection will begin **October 23rd**. There will be no collection the week of **November 20th**, collection will resume on **November 27th** and will end December. Please note leaves will not be picked up if they have sticks, acorns or animal feces in the piles. These materials can cause malfunctions with the machinery and become dangerous to our employees. Avoid putting leaves out 2 days before rain or foul weather, especially in the hilly areas of the Borough. During storms leaf piles can clog storm basins and cause water damage to streets and private property. Whenever possible, park away from leaf piles so the workers can maneuver the equipment and clean up more thoroughly. If you have any questions or concerns regarding the scheduling of the leaf pick-up, please call the Public Works Office at 610-863- 9249, leave your name, address and brief message, your call will be return at the earliest possible convenience.

### Cub Scout Pack 102 STEM program

Cub Scout Pack 102 is launching their STEM program on **Saturday October 21st**, STEM focuses on the development of Science, Technology, Engineering and Math. On October 12, at Forks of the Delaware District-Minsi Trail Council Roundtable meeting, Cub Master, Tony Zedar gave a presentation about the STEM program. Mr. Zedar encouraged other Packs to start similar programs. Mr. Zedar spoke about the importance of engaging the youth in STEM activities at a young age, to better prepare them for careers ranging from construction to computer programming.

The newly re-chartered Pack 102 believes that part of the value of the Scouting Program(s) lies in preparing children to become active, productive members of their community. "Scouting has always used fun activities to teach practical skills," said Jana Morris Sarnowski, the Committee Chair. "We think the STEM program compliments and enriches the lessons already built into Scouting."

Mr. Zedar, is one of the instructors of the STEM program and describes the STEM program like this, "To me, it's about getting the kids to think deeper about things that happen in everyday life. Things like, what causes the rain to fall and what impact does throwing garbage out of the car have?"

Mr. Rob Sarnowski, another STEM instructor at Pack 102 says "Kids are naturally curious and are great at asking questions. We hope that the STEM program teaches the Scouts not only to ask questions, but we want to give them the tools to think about problems and how to solve them."

The upcoming STEM meeting will teach Scouts about the water conservation. Instruction will center around an activity that demonstrates the water cycle, a brief video and discussion. Future sessions will explore Technology in the form of computers and software, Mathematics and Engineering. Tony Zedar believes that learning should incorporate fun activity (SCIENCE EXPERIMENTS!) and the big goal is not only to have the Scouts ask questions, but start to learn how to apply STEM principles to find the answers. By getting the kids thinking about how the world works, new levels of meaning in classic Scouting activities like the Pinewood Derby are revealed. In addition to being a fun event where the Scouts get to show off their car's looks and speed, Pack 102 wants to show how things like inertia, aero dynamics and friction affect the outcome of the race.

Consistent with their Community building approach, Pack 102 invites members of other cub scout packs to attend the STEM sessions. The sessions provide the Scouts an opportunity to achieve individual Scouting Awards. The STEM program is geared for Wolves through Webelos. The first session is being held Saturday, October 21st, 2017 at 9:00 a.m. at Trinity Lutheran Church. Trinity Lutheran is located at 404 Broadway, Bangor, PA. For more information contact Tony Zedar at 610-462-3818. Hope to see you there!

## ANTIOXIDANTS AND FREE RADICALS

By Jackie Talero-Rueda,  
The Crunchy Mom

Antioxidants are natural compounds that help protect the body from harmful free radicals. Free radicals are normally present in the body in small numbers. Biochemical processes naturally lead to the formation of free radicals. They are your natural biological response to environmental toxins like cigarette smoke, automobile exhaust, sunlight, chemicals, cosmic and manmade radiation, and are even a key feature of pharmaceutical drugs (mercola). Your body also produces free radicals when you exercise and when you have inflammation anywhere in your body. So not all free radicals are bad. We need them to produce energy and free radicals produced by the immune system destroy viruses and bacteria. In a healthy individual the body keeps free radicals in check but when there is an excess in free radicals, damage to cells and tissue can occur. This can put you at risk of diseases and rapid aging. Free radical damage is thought by scientist to be the basis for the aging process. Substances known as antioxidants neutralize free radicals by binding to their electrons. Antioxidants are natural compounds that help protect the body from free radicals. Antioxidants are mother nature's way of providing your cells with adequate defense against attack. If you don't have an adequate supply of antioxidants to help squelch free radicals, then you can be at risk of oxidative stress, which leads to accelerated tissue and organ damage (mercola). Many antioxidants can be obtained from food sources like fresh fruits and vegetables but it is difficult to get enough of them from food only because of the amount of free radicals that are constantly being generated in our polluted environment. You can take antioxidants in supplemental form to help. It is better to take smaller doses of several antioxidants than a large amount of only one. There are a number of antioxidants that can only be obtained by food or supplements, like vitamin A, vitamin C, vitamin E, beta-carotene, other carotenoids, flavonoids, and the minerals selenium and zinc. The hormone melatonin is also a highly effective antioxidant and a powerful free radical neutralizer. Melatonin is produced by the body but also available in supplemental form. Certain herbs can have antioxidant properties as well such as bilberry, silymarin, and ginkgo biloba. Other crucial antioxidants that are produced by the body are glutathione, Alpha-Lipoid Acid (ALA) and CoQ10. In the coming weeks I will cover some of these antioxidants, where to obtain them, and how important they are.

Enjoy!

### Bangor Area School District Wellness Committee

The Bangor Area School District Wellness Committee wants to extend an invitation to the families in our school community to participate in the following healthy activities throughout the school year. These are programs that the faculty eagerly awaits and competes in each year.

#### Project Zero: November 20-January 2, 2018

The goal of this program is to maintain your weight throughout the holiday season from Thanksgiving to New Year's Day. Eat in moderation and exercise to break even! Weigh In and Weigh Out form also attached.

#### 10,000 Steps: April 2, 2018- May 2, 2018

This is not a team walk rather it is an individual walking program where you find the average of your daily steps and set a personal goal to increase the steps each day. Strive to achieve 10,000 steps a day! To find the average; record your steps for any 3 days and divide the total by 3 and that will give you an average of steps walked per day)

I'm sure you can find a way to compete among family members, friend groups, or with neighbors. Be creative in the rewards or prizes!

Look for more information on the Bangor Area School District web page under the wellness link or email us at [wellness@bangorsd.org](mailto:wellness@bangorsd.org).

### TRICK OR TREAT SAFETY TIPS

1. Plan your route. A parent or other responsible adult should accompany children trick or treating.
2. Visit only homes that have a porch light on. Accept treats at the door, never go inside a home.
3. Make sure trick or treaters can see and be seen. Instead of masks, which make it hard to see, use face paint.
4. Walk on sidewalks, not in the street. Look both ways before crossing the street. Do not cross between parked cars. Do not use alleys or cut through yards.
5. Make sure an adult checks all treats before eating. Remove loose candy and throw away any open packages.

### Lukie's Fall Festival

Photos by Candy Martin and Adrienne Fors

The 14th Annual Lukie's Fall Festival was held on October 7th at Weona Park, in Pen Argyl. The festival is in memory of Luke Anthony Joseph Maida "Luke", who passed away from Spinal Muscular Atrophy at 6 months old. The annual festival is a day for families and friends to come out and have a fun day while helping to raise money for Cure SMA.

### The Slate Belt Heritage Center Presented its 6th Annual Haunted Heritage Show "Dancing with the Ghosts" to a full house, on Thursday, October 12th.

Featured were: Conrad Weiser, a farmer who was a negotiator and interpreter for the Peace Treaty with the local Lenape Native Americans, Johnnie Gruver, a local dance and theater instructor who was known for her many stage productions, Joseph Heater, a quarry worker (a Slater) who was killed in a quarry accident at the Stevens/Jackson quarry, whose body is still entombed on the site, David "Douse" Williams, local World War II veteran who was a POW in Germany and acquired his nickname as a result of his downtown Bangor antics, Mary Gertrude Smith Bodie- who was the first African American to graduate from Bangor in 1901 and went on to attend East Stroudsburg Normal School (ESU) and Dr. Stewart Wolf, famous for his "heart study" on the Italian-Americans who lived in Roseto, PA.

**Slate Belt Animal Advocacy Group/Bangor Pup Park Posse Launches Shoe Collection Drive to Raise money for Dog Park and New Shelter**

Shoe donations will also support micro-enterprises in developing nations and reduce what goes into landfills Slate Belt Animal Advocacy Group/Bangor Pup Park Posse is conducting a shoe collection drive through

**November 15, 2017** to raise funds for a dog park and animal shelter. Slate Belt Animal Advocacy Group/Bangor Pup Park Posse will earn funds based on the number of pairs collected as Funds2Orgs will purchase all of the donated goods. Those dollars will benefit establishment of a dog park and animal shelter. Anyone can help by donating gently worn, used or new.

They will be assisted by the Girl Scouts in this fundraiser. Please contact Kerri Miller at 610 390 3910 for drop off/pick up instructions.

All donated shoes will then be redistributed throughout the Funds2Orgs network of microenterprise partners in developing nations. Funds2Orgs helps impoverished people start, maintain and grow businesses in countries such as Haiti, Honduras and other nations in Central America and Africa. Proceeds from the shoe sales are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send her son to law school. By donating shoes to the Slate Belt Animal Advocacy Group/Bangor Pup Park Posse, the shoes will be given a second chance and make a difference in people's lives.

**ADOPT US - TOBY & DRAGO**

**TOBY** is an energetic boy with exotic Nordic style. As a Siberian Husky mix, sweet boy is super-smart, highly driven and faithful as the day is long. Toby came to the shelter as a stray, so while we don't know much about his past, at one year old he's still young enough to grow and learn with you. Toby is good with kids and other dogs, but note he doesn't know his own strength and may knock small kids around a

bit. No cats, please, for this handsome boy. Toby is one year old, neutered, fully vaccinated, micro-chipped and ready to come home with you. See for yourself at the shelter, today.

Introducing **DRAGO**, the self-appointed cat room greeter! This sweet boy steps right up to say hi when you enter our free roaming cat room. He's like a feline ambassador of good will. Pick him up and feel the love as he purrs with delight. Poor guy was abandoned at a local business, so he appreciates all the love and attention you have to give. Drago is 5 years young, neutered, up to date on vaccinations and more than ready for a fresh start. Come meet Drago today!

The AWSOM Animal Shelter is located at 3129 Godfrey Ridge Drive, Stroudsburg, PA 18360. Adoptions hours are 11AM to 4PM, 7 days a week. Volunteer opportunities are always available. Stop in or call 570-421-DOGS for more information.

The AWSOM Animal Wellness Center is open Monday thru Friday for all your basic veterinary needs. Check out our low-cost veterinary services, including spay and neutering, vaccinations, dental care and more. Call 570-424-1060 for more information or to make an appointment.

**Fall Clean Up Tips**

Fall is here and before you hibernate there are still a few fall yard clean-up chores that should be done. Your lawn needs to be properly put to bed and your home needs to be prepared for the upcoming winter. Here are some helpful fall clean-up tips!

**Clean the Rain Gutters**

Rain gutters play an important role when the damp winter hits. You want to ensure that clogs are removed with a hose or hand shovel to allow proper drainage. When cleaning the gutters, be sure not to reach out too far while standing on a ladder. Remember safety first.

**Trim the Trees and Plants**

You may notice from your ladder that there are trees that should be trimmed. The best way to trim your trees is to use a chainsaw on the heavy branches and use pruning shears for the smaller ones.

**Water Your Lawn**

Watering the grass is vital to maintaining a great lawn. You may think that since fall is approaching, you don't have to water your grass. This is a big misconception. For the first watering, soak your lawn until you see the water seep into the soil. Once you see this, soak it again. From there, be diligent. Although the weather gets colder the soil can get locked up with ice, making it impossible for your lawn to breathe. Watering is still very important in during the fall months.

**Mow, and Mow Low**

You have spent all summer maintaining your lawn, but don't put those tools away just yet. Give your lawn one last good mow, cutting it very short. You don't want any obstructions keeping your lawn from getting the oxygen it needs.

**Inn Town Storage**

Fall is here!

Time to start thinking about protecting your outside furnishings and storage of vehicles and motorcycles.

## A Witch's Sighting by Robert L. Martin

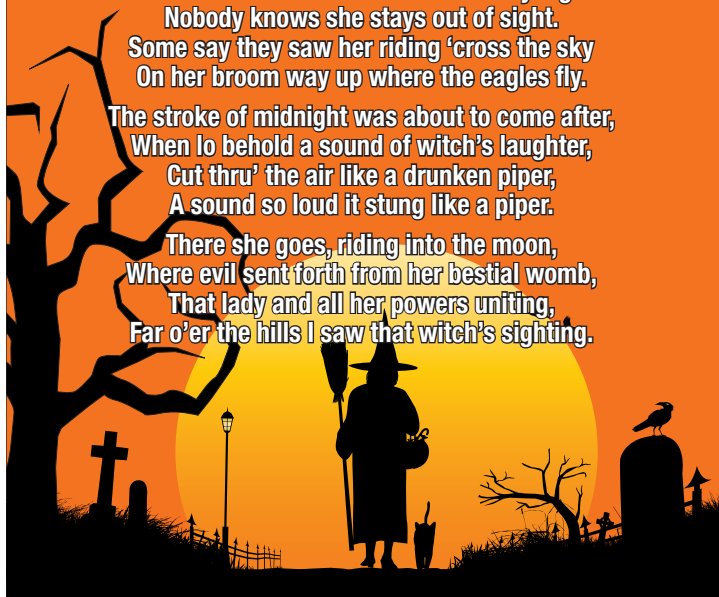

As the full moon hangs o'er the mossy moors,  
And ghouls dance to the songs of wars,  
And the silence creeps up the stony path,  
One step at a time into the sorcerer's wrath.

The witch's house sits atop the hill  
Where evil lurks around the still.  
Don't go near or let her find you.  
You'll be caught up in the witch's brew.

Where's she to be found on the clammy night?  
Nobody knows she stays out of sight.  
Some say they saw her riding 'cross the sky  
On her broom way up where the eagles fly.

The stroke of midnight was about to come after,  
When lo behold a sound of witch's laughter,  
Cut thru' the air like a drunken piper,  
A sound so loud it stung like a piper.

There she goes, riding into the moon,  
Where evil sent forth from her bestial womb,  
That lady and all her powers uniting,  
Far o'er the hills I saw that witch's sighting.

## Friends of the Bangor Library

### Meet the Author

### Featuring Joe DeFranco

The Friends of the Bangor Public Library will hold their Fall Meet the Author on **Saturday, November 11, 2017 at 10:00am** at the Trinity Lutheran Church, 404 Broadway, Bangor, Pa.

Featured author will be local businessman Joe DeFranco. Mr. DeFranco will present his book: Growing Up in the Butcher Shop. Mr. DeFranco has always enjoyed telling stories to friends, reading articles about Italy, food magazines and cookbooks, along with being surrounded by his grandparents who had the greatest influence on him. All of this has inspired him to write vignettes for the Blue Valley Times, Slate Belt Magazine: The Belt and Beyond, and subsequently publishing his own book. Mr. DeFranco strived to keep the old customs alive so that the younger generation will have an idea as to his way of life growing up in the sixties, in a butcher shop and also for the older generations to reminisce days gone by. Tickets for the event can be purchased at the Bangor Library, 39 North Main Street, Bangor, PA. All proceeds benefit the Bangor Library. For additional information contact: Karen Brewer at 484-894-5661.

Do you write short stories or poetry, take photos or draw? Would you like to share your talent with our readers. Send your stories, poems photos, and drawings to The Belt and Beyond to be printed in a upcoming issue.

**Fourth And Four**  
by Robert Martin

Fourth & four on their twenty yard line,  
 Ten seconds to go, running out of time,  
 Down by four, the biggest play to begin,  
 A true test of power, so it's time to dig in.

Hut, hut, - hut, a fake to the running back,  
 Who becomes a blocker, can't take a sack,  
 Receivers taking secondary into the end-zone,  
 Tight end's drifting out into the seam alone.

The ball's in the air, all fingers crossed,  
 The season's on the line, can't take a loss,  
 A tall tight end against two short linebackers,  
 The perfect match-up, so that's all that matters.  
 He jumps high in the air and snatches the ball.  
 He carries them to the end-zone. Hallelujah we won.
