SUNDAY, AUGUST 30TH 9:30 A.M.

at **EAST BANGOR PARK**

(Some chairs will be available, but bring your own if you can!)

POTLUCK LUNCHEON IN PAVILION FOLLOWING WORSHIP

Enjoy a morning of open-air worship, good food, old-time games for the family, and Christian fellowship in our town's beautiful park!

Thank You

I would like to give a heartfelt Thank You to Vinny's Pizza. As Mayor of Bangor nothing makes me prouder than seeing our community step up to support the people who protect and serve our community. During a recent long and grueling extended emergency call the crew at Vinny's Pizza generously donated hot meals to our dedicated firefighters.

Our first responders volunteer so much of their time and energy to protect our borough. Businesses like Vinny's Pizza show the true heart of our community. They step up to care for our hometown heroes deserve to be recognized and supported in return. So the next time you're deciding on dinner, consider picking up a pie from Vinny's to show them how much we appreciate their generous donation!

On behalf of our entire community, thank you to Vinnie's Pizza for your incredible generosity and unwavering support for our Fire Department.

Mayor David McCloughan

Slate Belt Heritage Center News

The Slate Belt Heritage Center will hold their monthly historic program on **Thursday, September 10th, 7:00 PM**. Join: Conductor, Researcher, Teacher and Technician, Joshua E. Long, PHD of Art and Music Emporium, Inc. for his program "The Golden Age of Bands (1880-1930) in the Slate Belt". Explore significant performances that occurred during a time in America when military, community and institutional bands were evolving, admired and captivated many. This hype caused a surge of performance tours like the John Philip Sousa Band that sparked local ensembles to exist such as the Bangor Yellow Jackets, Roseto Chieftains, Blue Eagles Drum and Bugle Corps, Roseto Cornet Band, Slate Belt Boys Band, Bethlehem Steel Company Band, East Bangor Cornet Band, Bernie Parsons Orchestra and The Bangor Band along with many religious and institutional bands. The Golden Age of Bands was an era in which genuine enthusiasm for music and community involvement was clearly evident and when towns sought to fund local civic music programs. The discussion will provide an overview of that time through the repertoire performed, historical musical engagement and musical groups that existed and flourished. The program is free and open to the public. For additional information please contact: Karen Brewer at 484-894-5661.

No End to Learning by Robert L. Martin

Kids you are so, so lucky. You have so many years left to learn. Time is on your side. There is no end to learning. When school was over for me way back when, I didn't stop learning. I wish there were 30 hours in a day. What knowledge to be learned in too short a time, yields not enough days in which to learn it. To know everything is impossible, so to know as much as we can is sufficient. Education of the human mind commences in the cradle and the schools help to move it up to a new plateau, the better life that we make for ourselves through our desire to never stop learning.
