Eagle Scout Project - Community Blood Drive

Tristan Frisch, a Life Scout in Troop
102 Saylorsburg and a resident
of Pen Argyl is honoring his late
grandmother's memory by hosting
an Eagle Scout Community Blood
Drive. During the last 10 years of her
life, she was very ill and required over
200 units of blood. This has inspired
Tristan to step up and make a difference in his community.
He saw first hand how important donating blood is. His
project will run until July 31, 2024 and his goal is to collect
1,000 pints of blood. You can help by scheduling your
donation appointment by calling 1-800-223-6667 ext. 2

Northampton County Parks and Recreation Stargazing Program

The Northampton County Parks and Recreation Division will sponsor a stargazing program on **Friday, May 17**. The event will take place at Louise W. Moore Park (151 Country Club Road, Easton, PA) in the wide-open turfgrass on the park's west side. Attendees should park in the West Parking Lot at 151 Country Club Road, Easton, PA 18045.

Join Dr. David Buckley, Professor of Physics and Resident Astronomer at East Stroudsburg University, for telescopic views of the waxing gibbous moon.

Depending on the night's sky conditions, attendees may also view the impressive double star Algieba, the Beehive Cluster and the Hercules Globular Cluster, and will learn about the constellations Leo, Bootes, Hercules, the Big Dipper and the North Star.

This program is recommended for adults and children six years and older. Dress to be outside at night and bring a lawn chair or blanket, binoculars, and a flashlight for use after the program when returning to your car.

This program is free of charge; however, registration is required. To register, please visit:

<https://norparks.recdesk.com/Community/Calendar>.

Please note that this program depends on weather and sky conditions and will be canceled in inclement weather or overcast skies. Registered participants will be notified in the afternoon of **May 17th** only if the program is canceled.

Maternal Duties

Motherly lioness is equipped with deadly fangs with her babies safe and sheltered from the rains. She is fierce and loving on dangerous grounds, always on the lookout for every hunter's sounds.

Mother's instinct holds true for all human nature as it reaches into humanity so voluntarily secure. Mothers of the jungle and mothers in the home are the heroines of the world while others roam.
