Letter from the Publisher:

Ten years? I have asked myself "How can it possibly be 10 years since I started The Belt and Beyond?" Ten amazing, blessed, and at times a bit crazy years. When I reflect on the past 10 years, I think about how this publication started, a dream, many prayers, and a huge leap of faith. I know that I made the right decision!

First and foremost, I would like to thank the readers, who pick up a copy of every issue in print and those who read it online. To The Belt and Beyond followers on Facebook and Instagram, thank you so very much! A very special thank you to my advertisers for your continued support! To my amazing staff, who without you, this publication would not be possible, thank you for your unwavering dedication. To everyone who has helped in any capacity over the years, thank you. I am grateful to each of you for helping to make The Belt and Beyond what it is today. To my mentor and friend Kathleen McFall, thank you, for your wisdom and inspiration. I am forever grateful. To my husband Gary and my children, thank you for believing in me and always encouraging me.

Thank you one and all! Cheers to ten years!

Candy Martin, Publisher

"Open Space plays an essential role in the quality of life in our communities by protecting clean air, land, water, and the environment to improve our health and wellness."

The purpose of the grant program is to protect the county's important natural features by assisting municipalities and organizations in acquiring, restoring, and enhancing permanently protected lands to conserve natural resources and provide outdoor recreation for future generations. Since 2006, Northampton County awarded \$20.75 million in Livable Landscapes grants for successful local and regional park improvements, recreation, land conservation, ecological restoration, and trail projects.

Honoring Our Women Veterans License Plate

In recognition of Women's History Month in March, the Department of Military and Veterans Affairs (DMVA) is reminding drivers that purchasing an "Honoring Our Women Veterans" license plate both recognizes the importance of women who served and supports programs assisting the nearly 64,000 women veterans in Pennsylvania.

Each plate costs \$40, with \$15 going directly to the Pennsylvania Veterans' Trust Fund (VTF). The VTF regularly issues grants to statewide charitable organizations assisting veterans service organizations and county directors of veterans affairs. The grants are used to aid veterans in need of shelter, essential goods and other services.

The plate is available for passenger cars or trucks with a registered gross weight of not more than 14,000 pounds.

To learn more about how to purchase plates honoring women veterans, or other veterans, visit vtf.pa.gov

Poll Workers Needed for Upcoming Election

Northampton County Elections Office reminds registered voters who live in Northampton County that they are seeking workers for poll worker positions for the upcoming Primary Election on **Tuesday, April 23rd**, and General Election on **Tuesday, November 5th**.

Every year, elections in Northampton County are made possible by citizens who serve as poll workers. These people do the important work of checking in voters at polling places and setting them up with a ballot. At the end of the night, poll workers deliver the returns to county election officials. The County depends on these workers to ensure fair, accurate, and legal elections.

Poll workers must attend mandatory training prior to the Primary Election and are also paid for their training time and work on Election Day. Northampton County poll workers may earn between \$175 and \$200 for serving all of Election Day, depending on the poll worker's assignments and training. Typical Election Day hours are from 6:30 a.m. until after the polls close at 8 p.m. Individuals who bring supplies back to the Government Center receive additional compensation and mileage.

Registered voters interested in becoming poll workers in your community, email the Northampton County Elections Office at election@norcopa.gov or call 610-829-6260.
