Bangor Park Board Seeks Groups for Pumpkin Carving Contest for Octoberfest

Calling all pumpkin carvers! ! It's time to start thinking about getting your friends group, non-profit organizations, scout troops, neighbors, co-workers, businesses, sports teams, or any group to enter the annual Bangor Park Board themed pumpkin carving contest. Entering the contest is easy! Call Sherry Haycock at 610-588-6894 to reserve your theme (no duplicate themes will be permitted) Examples of themes: Ghostbusters, Harry Potter, Disney, use your imagination!

To enter you will need to provide a minimum of 4 carved pumpkins all aligned with your theme (5-18 pumpkins work best. Some favorites over the years have been the ones with shaved and carved components.) Feel free to provide additional props to go along with your pumpkins! Pumpkins must be lit (we recommend white holiday lights) so we ask that you provide your own long extension cord and lights.

Octoberfest will be held **Saturday, October 11 & Sunday, October 12**. Interested vendors can email bangorparkboard@gmail.com for an application. Anyone interested in volunteering for the Park Board or any of the Park Board events can contact Sherry at 610-588-6894 or email bangorparkboard@gmail.com Bangor Memorial Park is located at 90 Eisenhower Blvd., Bangor PA. 18013.

Northampton High School German Class Students Participate in German American Partnership Program (GAPP)

In June 2025, Northampton High School's German class spent 2½ weeks in Gladenbach, Germany, partnering with Europaschule Gladenbach. From June 10–27, students lived with host families for 13 days, attended school, and participated in cultural activities. Highlights included visiting the Dachau Holocaust Memorial, exploring the Rhein River, enjoying a traditional German barbecue, and touring Rothenburg ob der Tauber as well as Chiemsee's Herreninsel und Fraueninsel.

The German American Partnership Program (GAPP) is a school-based exchange initiative that fosters connections between U.S. and German high schools through immersive student exchanges. Participants live with host families, attend school alongside their peers, and experience the daily life and culture of their partner country.

The program concluded with four days in Munich, where students explored the city, went shopping, and stayed in a youth hostel, further experiencing German culture in a unique way.

Fall will soon be here! Time to start thinking about fall advertising.

Forests change their costumes of summer to orange colored gowns for winter's slumber as the designers from the north come to paint and paint they do with little or no restraint.

As they did last year, they cover the forests with a heavy coat of orange from east to west and get ready for the marauders to come and strip the branches from their battle won and keep them away from the fertile sun.
