## National Donor Day is February 14

Valentine's Day is Saturday, February 14th, it's also National Donor Day, which is observed annually on this day and celebrated by many. National Donor Day is a day to celebrate the gift of life, a day to raise awareness of the life-saving benefits of donations of Organs, Tissues, Marrow Platelets and Blood.

National Donor Day aims to raise awareness of the life-saving benefits of five different types of donation – Organs, Tissues, Marrow, Platelets, and Blood. Every 8 minutes, another person is added to the national transplant waiting list. Today there are more than 100,000 people on that list. Why so many you may ask? Because there are not enough registered donors. There are many non profit health organizations that sponsor donor registration initiatives for organs and tissue, as well as blood and bone marrow drives nationwide.

You can help by giving blood, becoming an organ donor, and raising awareness about donation. Let your loved ones know you're a donor or become a donor and encourage your family members and friends to register, as well. Blood donations are always in need, organize a blood drive or volunteer with the American Red Cross. For more information, visit [donors1.org](http://donors1.org), [redcrossblood.org](http://redcrossblood.org) and [donatelife.net](http://donatelife.net)

Happy Donor Day

National Donor Day is February 14. Share the love and register today.

## FEBRUARY

### Fasnachts or Pancakes on Shrove Tuesday (Fat Tuesday)

Fasnacht or Pancake Day coincides with Shrove Tuesday, also known as "Fat Tuesday" or "Mardi Gras." It's the day before Ash Wednesday, the start of the Christian observance of Lent. A 40-day season of fasting, repentance, and reflection before Easter Sunday. Shrove Tuesday is the last day of feasting on indulgent foods, such as fasnachts or pancakes before Ash Wednesday. Traditionally, Fasnacht Day is a Pennsylvania Dutch tradition. Fasnacht is a German word meaning "Fasting Night" in English. Using up the lard, sugar, butter, eggs and other rich foods in the cupboard making the fasnachts before Lent begins. So what is Fasnacht? It's a donut.

There are three kinds of Fasnachts, one made with yeast, one made with baking powder, and one made with potatoes and yeast. All are slightly crispy on the outside and not nearly as sweet as a regular donut.

In the UK, Shrove Tuesday is more commonly referred to as "Pancake Day." We know a pancake is a thin, flat cake, made of batter and fried in a frying pan. Traditionally, an English pancake is very thin and is served with syrup or lemon juice and caster sugar are the usual toppings for these pancakes.

The ingredients for the pancakes can be seen as symbolizing four points of significance at this time of year: Eggs - Creation, Flour - The staff of Life, Salt - Wholesomeness, and Milk - Purity. So, whether you choose to indulge in fasnachts, Shrove pancakes, or some other decadent food, enjoy and eat up on Fat Tuesday!

Looking for something peaceful to do with your 'bae' this Valentines Day? This program is intended to cultivate a sense of mindfulness and appreciation for our loved ones using a slow forest walk as the modality. Please wear comfortable shoes and appropriate layers to be outside for the duration of the program. Registration is required.

Find out the role the inn played in the early years of our country, as well as some of the intriguing local folklore about what it became in its later years! This program will involve walking along roads and through parts of the forest that do not have established trails for about a quarter of a mile. You must be able to traverse uneven surfaces to attend this walk. We will continue on established trails for the remaining mile of the walk, for a total of 1.3 miles. There are two sessions of this walk on the same day, please choose one session. The program will start at the Connector Trail Parking Lot at 835 Jacobsburg Rd. Wind Gap, PA 18091. ### Ode to My Beloved

by Robert L. Martin

An ode to my beloved, a Valentine for her,  
of when that special day occurred,  
when she stood out above the crowd  
and my heart beat from soft to loud.

And when she spoke to me, my spirit climbed.  
I began to think in sonnets and rhyme  
instead of earthly drama and mundane thoughts;  
for my heart was tied up in heavenly knots,  
and she became my wife I must say.  
So Valentine's Day is in remembrance of that day.
